In the absence of Mr. Dulles, I am writing to thank you for your recent letter enclosing copies of House Report Number 2551, 85th Congress, by the Committee on Government Operations and a transcript of the hearings, both entitled "Saline Water Program (Research and Development)." This Report and hearings have been reviewed with a great deal of interest.

MEMORANDUM FOR: THE ACTING DIRECTOR

Attached is a proposed letter for your signature to Representative Jones acknowledging receipt of Committee materials on the Saline Water Program. OSI has indicated that we have done little in this field but have enclosed an intelligence memorandum for background. OSI advises that information on the Soviet effort enjoys a relatively low priority.

Recommend signature.
